Looking a little green when we enter, we live and grow ...
As we leave, the Bellevue Spirit will be part of us
But what composes this spirit?
In the first week a spirit ... of confusion
In the classes we attend a spirit ... of learning
To the people we meet a spirit ... of friendliness
To work together with a spirit ... of success and accomplishment
To live together in a spirit ... of harmony
To our friends a spirit ... of trust and good times
To the band we leave a spirit ... that will keep marching along
To our teachers a spirit ... of discipline and knowledge
To McDonalds a spirit ... of fun and good times
To our cheerleaders a spirit ... we'll never forget
To the honoraries a spirit ... of a job well done
On the field of athletics a spirit ... in every loyal Bellevue Owl
To exams with a spirit ... of study and fatigue
To all of us in our mission accomplished ...
The Bellevue Spirit
With this spirit we dedicate the 1979 Owl.

Bellevue Jr. High

I have to meet Jane at her locker! Was that the second bell? I can't be late again! I'll have to hurry! Oh no, I forgot my English homework ... again!

Jr. High is the link between childhood and High School. It's the dawning of a new and refreshing time in each person's life. It's a time of taking on new and, sometimes, frightening responsibilities. It's a time to learn to live with others. It's a time of exchanging ideas, of sharing, of laughing, and of just having plain old fun. It's a time of developing valuable relationships that will one day become memories.

It's a time to leave all of those childhood dreams behind and begin to dream new dreams. It's a time to set priorities and to prepare for life. It's a time to put one foot in front of the other and slowly begin that great climb through life. It's a time of awkwardness, confusion, and happiness, but, most of all, it's a time of learning, sharing, growing, and living! It's a part of growing up that will always have a place in each person's heart.

To the beat of drum clicks and with a burst of color the 146 member Bellevue Band marched into an exciting 1978 season stepping high to the rythme sounds of ''In the Mood.'' The pace of their show was dramatic and varied as they complemented a sports drama of human conflict and turned the scarred field into a green meadow of blue and white figures that constantly created changing and unique designs.

Visualize the band's formation as the night air rings ''Mahler's 7th Symphony,'' ''In the Mood,'' ''Tocatta and Fugue,'' and a medley of ''Summertime'' and ''Russian Sailors Dance.''

Band Council

Miss JoAnn Hood, along with field commander David Baker, and captain Jimmy Hearn, gave us leadership and direction as we competed in local state and national competition. The MTS BOA Marching Festival held at MTSU was ver rewarding again as we proudly received "our annual" superior rating. The Columbia Invitational and Contest of Champions were but primers for our final and most rewarding competition. As rookies to the national scene, we were overwhelmed by the 5th place finish in the Great American Marching Band Contest, held in Orlando, Florida. But without a doubt, our most unique experience was following in the footsteps of Mickey Mouse, Donald Duck and friends as we marched down Main Street, in Disneyworld, U.S.A.

a Group of people
Working together
To Achieve:

A football game without cheerleaders?
A basketball game without cheers?
It's like a day without sunshine,
Florida without oranges!
But our girls do more than cheer.

During the year the eight of them did things to promote school spirit such as: selling booster badgers, decorating lockers and locker rooms, holding our annual bonfire, and parties for the football players.

During the summer, the varsity cheerleaders attended cheerleading camp at U.T. Knoxville where they received straight superior ratings. Four out of the five days they were present, our girls were given the spirit stick award. They were also awarded a spirit stick to bring back to Bellevue, and through the year, their spirit never died.

After all the planning and hard work are over,
The pom poms are hung up awaiting next year.
Could you in this moment of fast fleeting memories
gather together and give us a cheer!

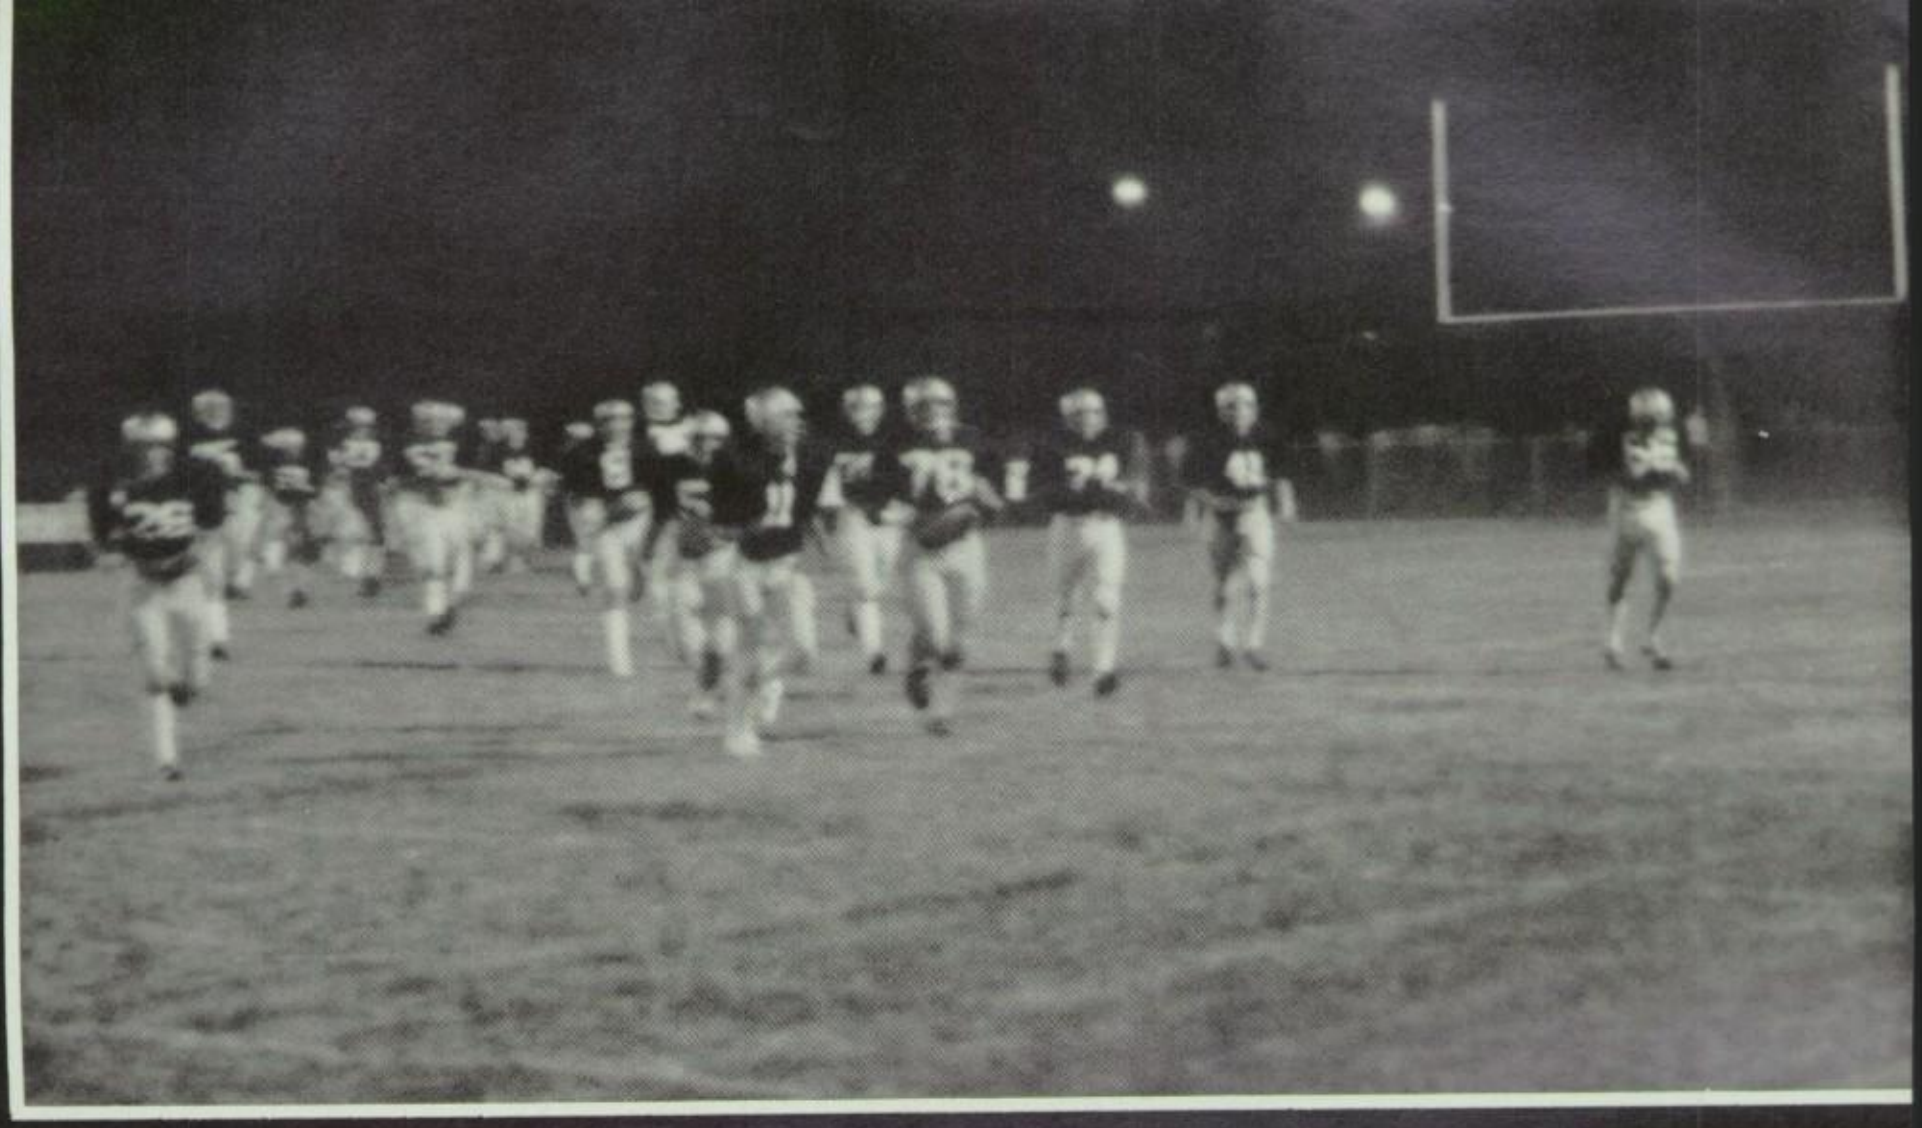
Coaches

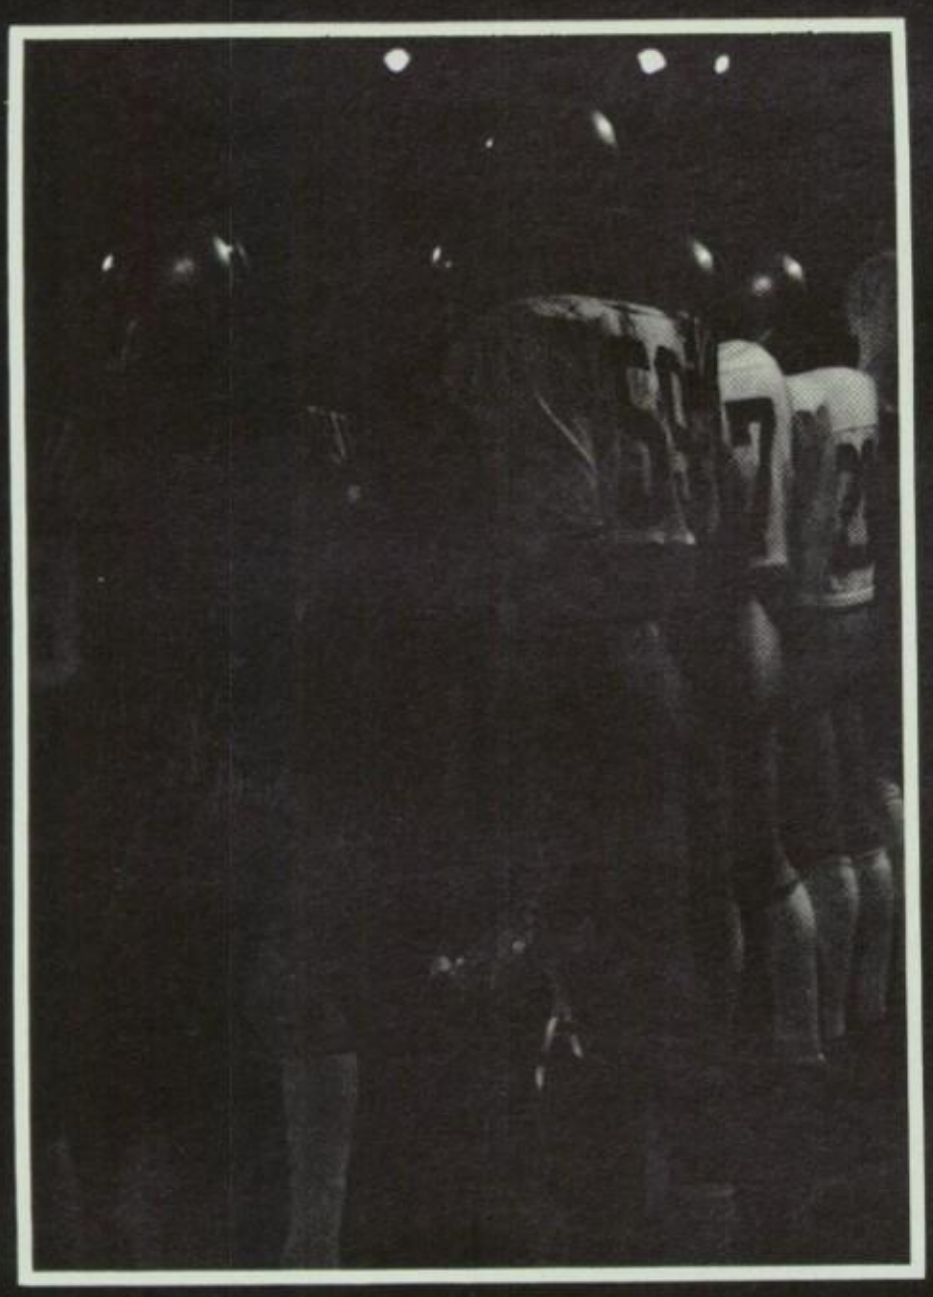
A football coach once rebuked a confident player who said their team would win because it had "the will to win."

"Don't kid yourself," said the coach. "The will to win is important, but it isn't worth a nickel unless you also have the will to prepare."

This year Coach Crawford and his staff developed the will to have a winning team.

Coach Crawford and his staff: Coach Young, Coach Bush, and Coach Perkins could be found daily teaching shop, math, civics, and art before they ever reached the football field. This grueling schedule left them little time for their families. From those of us who understand the price of victory, we say thanks!





READY ... SET ... FOOTBALL

There have been teams, and then THERE have been teams! With a record of seven wins and four defeats, this was one of the best teams in our school's history. They played such outstanding ball in all of our regular season games that our boys were invited to the Tobacco Bowl in Hartsville.

Senior John Wade was named to the all Nashville and all NIL Teams. He was voted the NIL's Most Valuable Defensive Player, the highest honor ever bestowed on a Bellevue player. Pat Potter, Randy Sadler, Kurt Mitchell, and Tony Keeton made the All Nashville AA Team.

Although every senior served as captain, Tony Keeton was elected honorary team captain at the close of the season.

Football (fo͝otball) .n. 1. a game played with a large inflated leather ball, on a field at either end of which there is a goal post. Each team, consisting of eleven players, tries to score touchdowns by running or passing the ball to its opponents' goal line. A field goal is scored by kicking the ball over the crossbars of the opponents' goal post.

Sugar and spice and everything nice that's what little girls are made of, but in the locker room all that spice comes off. Hair goes up into a pony tail, all of those diamonds are removed and a spirit of victory fills the air.

This year our girls seemed to be the underdogs of the league. Five starting seniors graduated leaving us with a year of probable defeat. Even after the misfortune of Bea Collins, our remaining girls worked, pulled, and with sweat and determination, gave us a spectacular team.

The season is over, our victories are won. Our girls no longer need to run and gun. The showers are taken, the sweat and grit gone. Once again our little girls returned. Sugar and spice and everything nice, that's what OUR girls are made of.

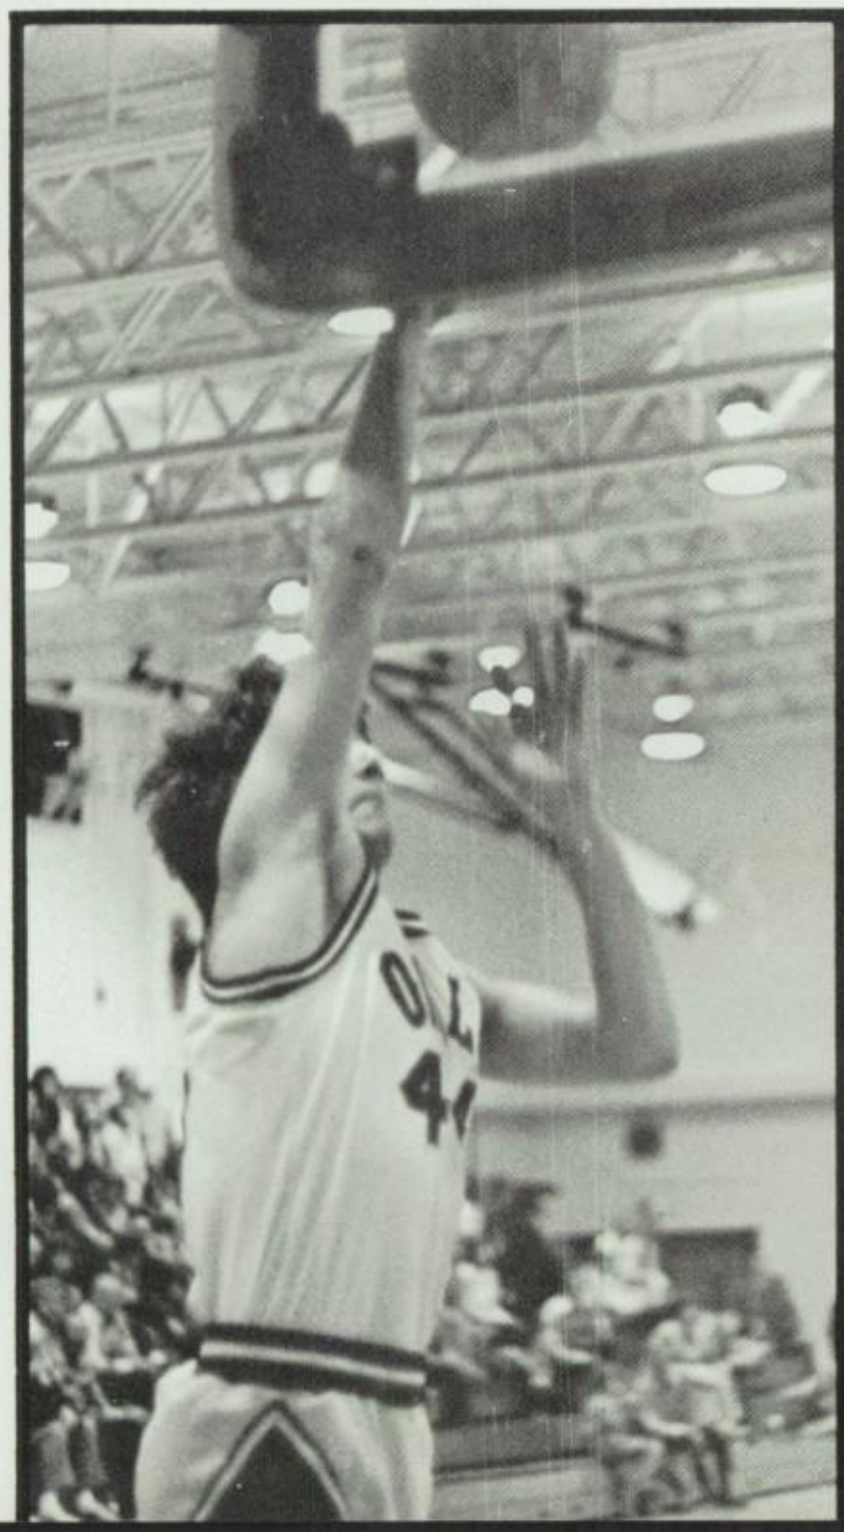
Dribble, dribble, swoosh, dunk, dribble, dribble, swoosh, dunk, ...

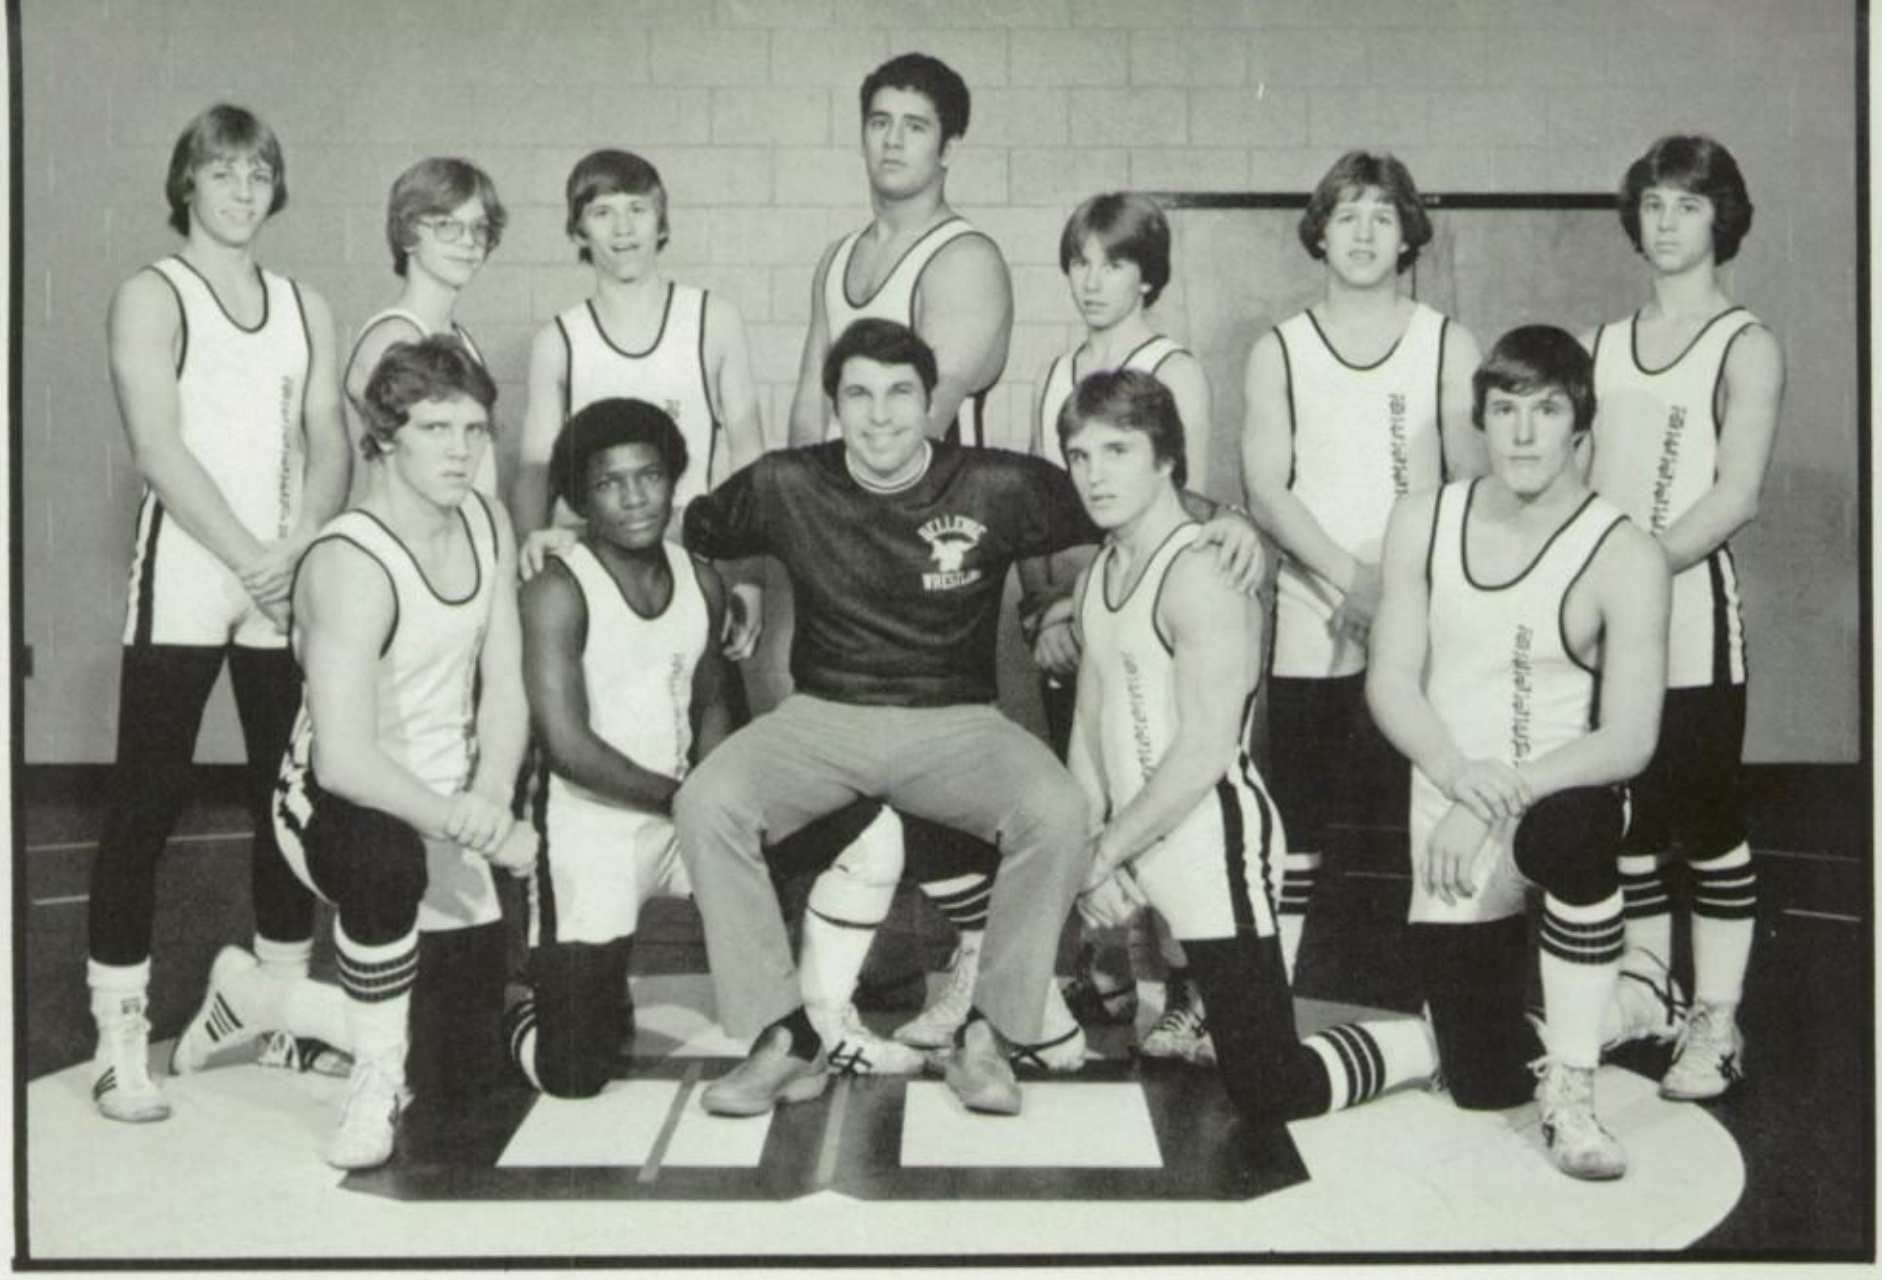
Holy Smokes! It's a Bellevue Owls basketball game! Just look at those Owls go. I can't believe it! It's the same thing game after game after game! Wow! Did you see that shot? BOTTOM!!! SWOOSH!!! Watch those Owls swoop down on that opposing team. That is just what our Owls have done all year.

Under the direction of our two fine coaches, Anderson and Harris, they have turned out one fantastic team. Sure it's been hard, but it's been worth it. We've won some thrillers and lost some heartbreakers but we can truly say we've done our best.

Yes, we are one team that has experienced the thrill of victory, and the agony of defeat.

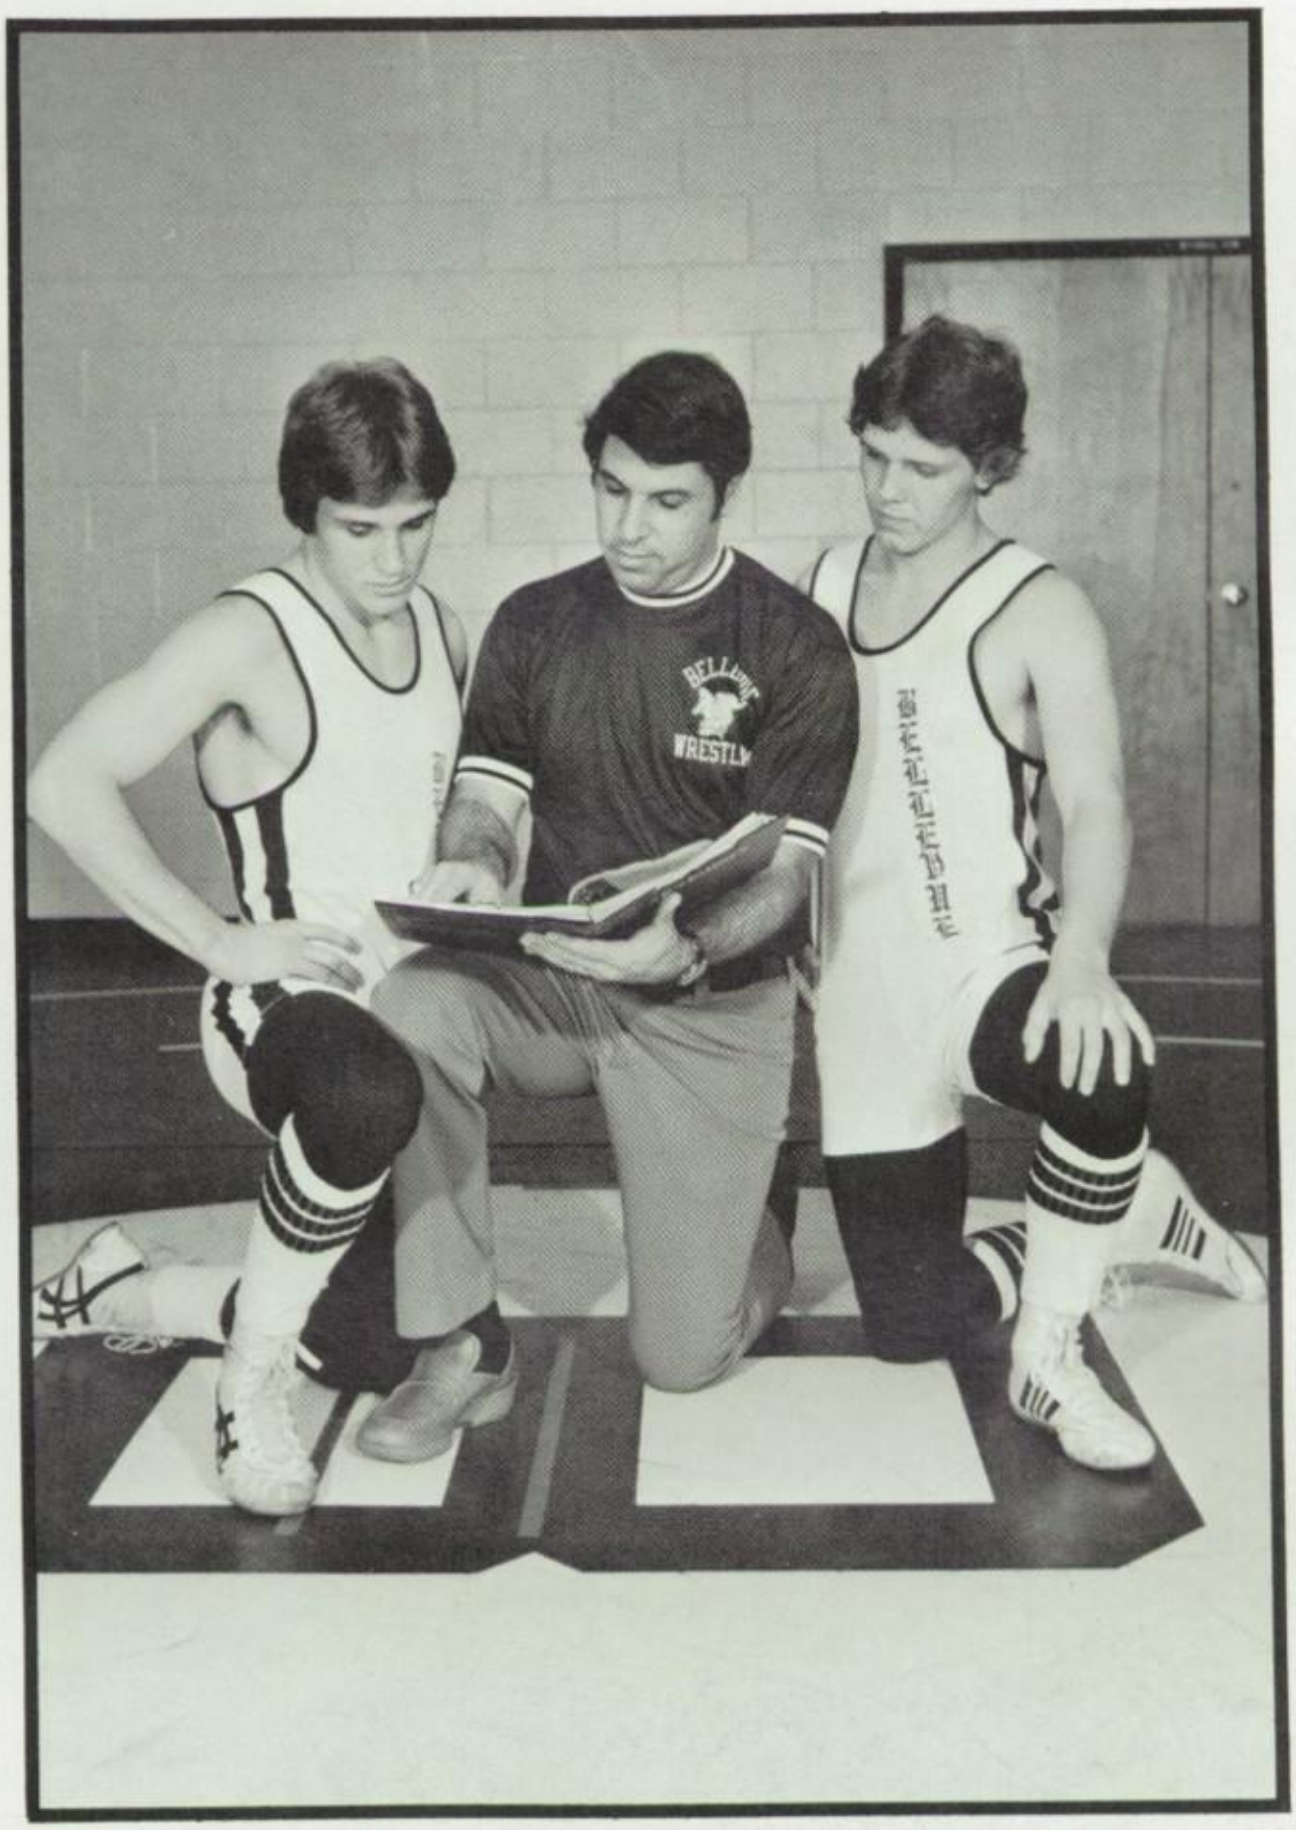
No Run And Gun For Bellevue





And In This Corner . . .

Wrestling 1979

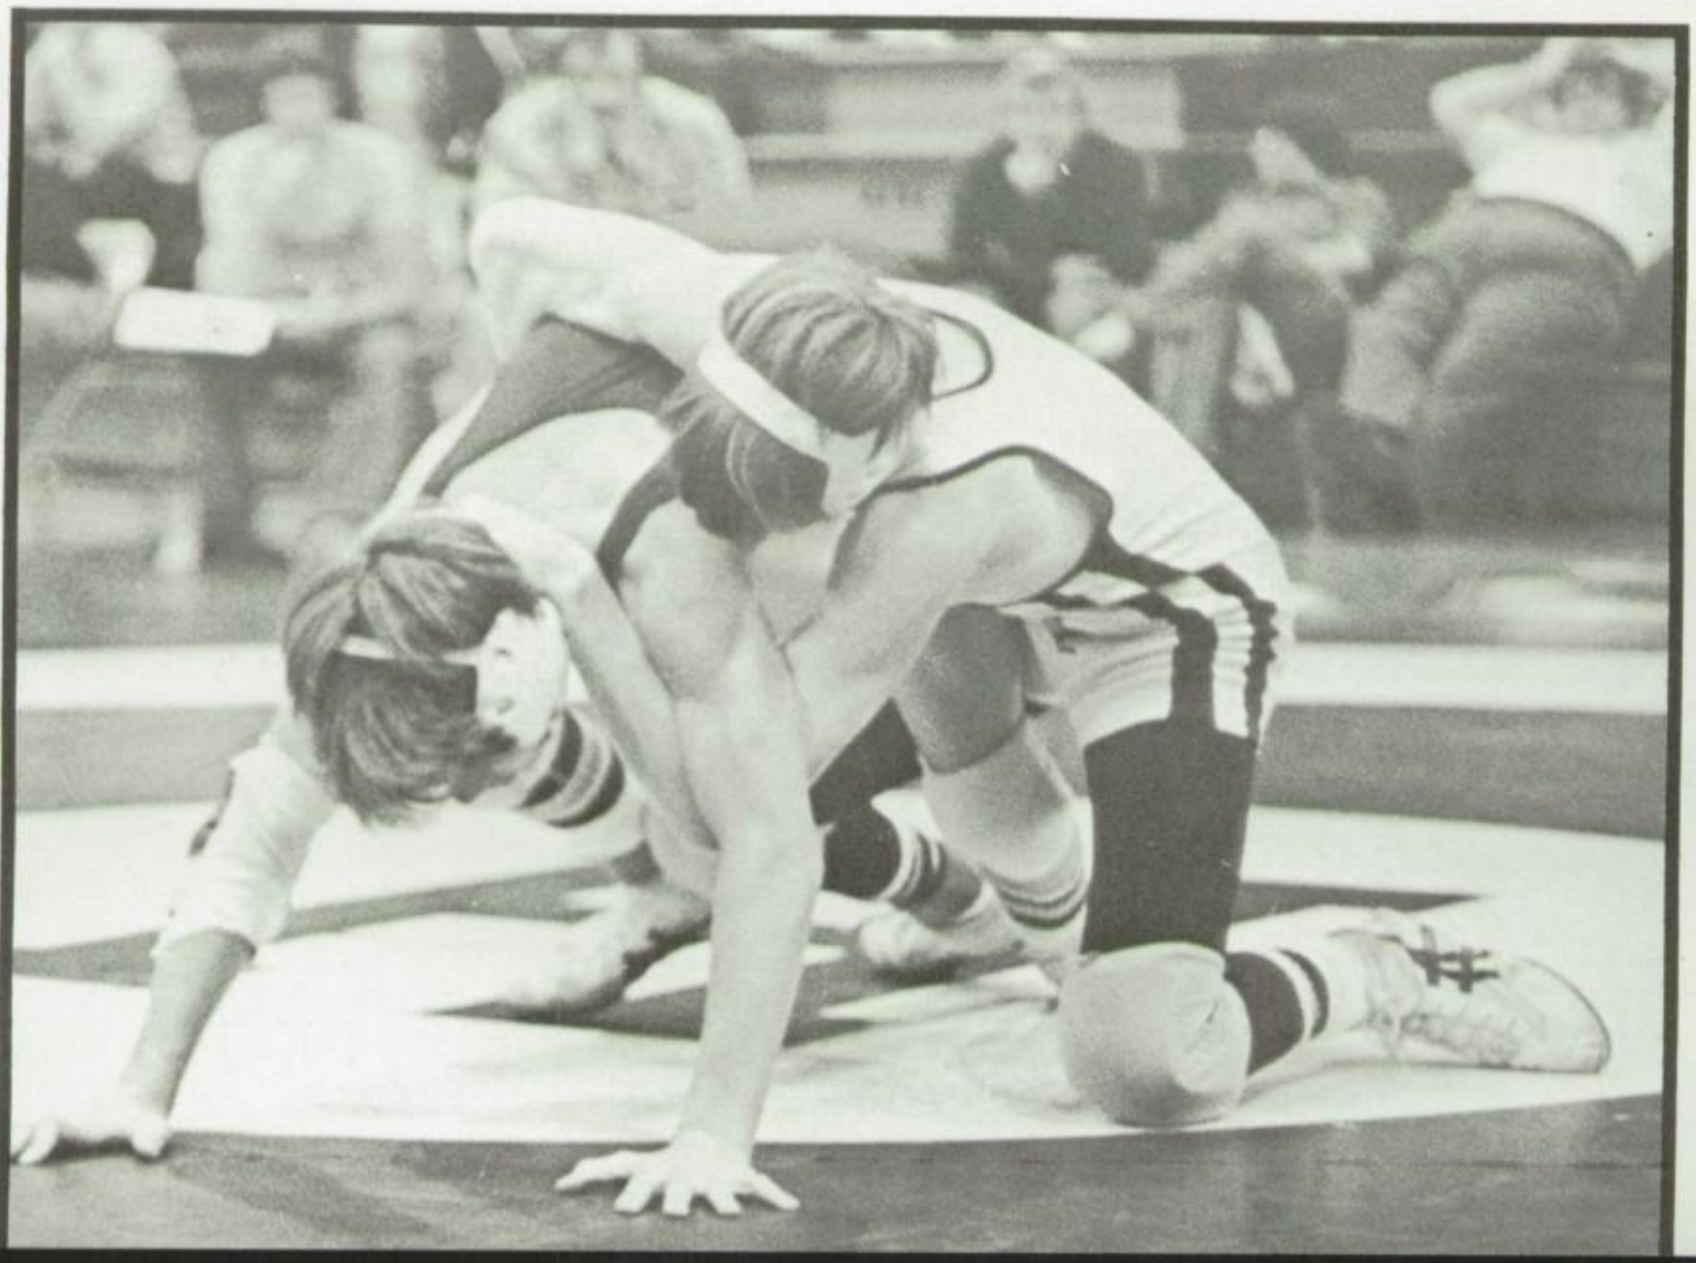


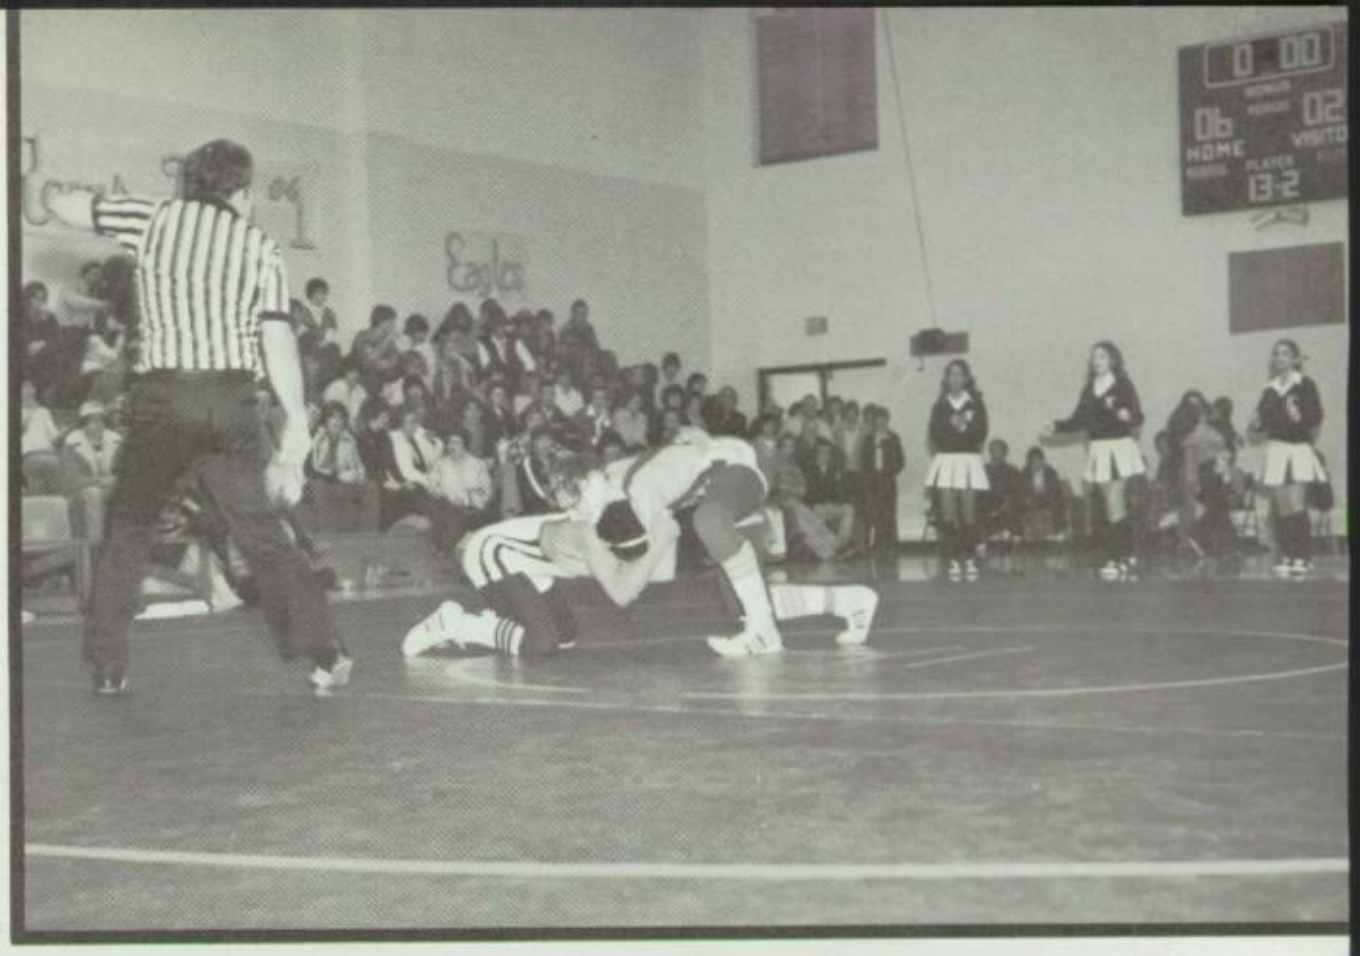
Coach Posnack
Captain Tommy Mundy
Co-Captain Darryl Harrington

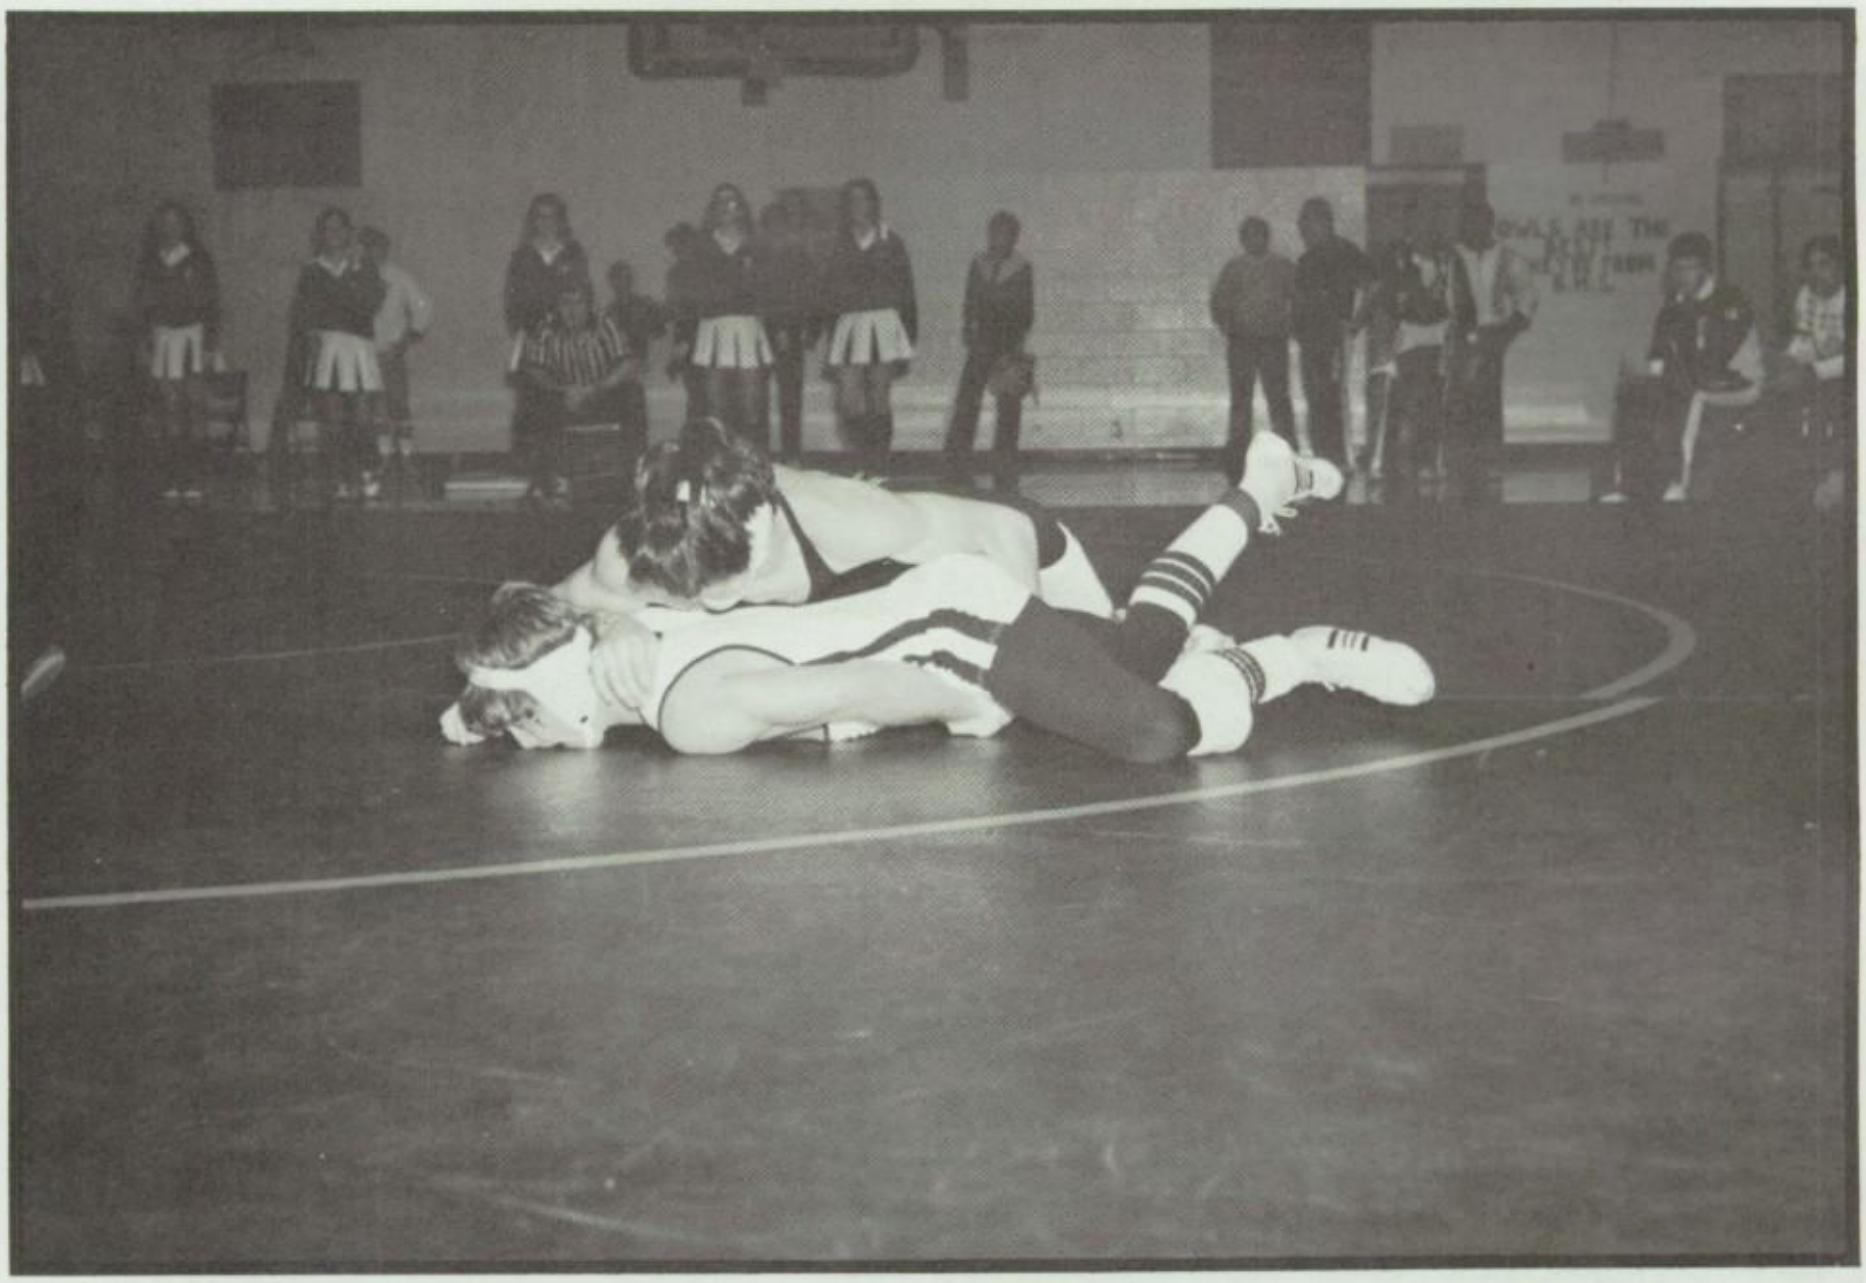
Has your impression of a wrestler always been the picture of an overweight greasy, Dick Gulas type of character with an I.Q. barely in double figures? If so, hold on to your seats wrestling fans 'cause you're in for a Full Nelson!

Though we faired well against the District Competition: Hillwood, McGavock, Maplewood, and MBA, and even though we lost to AAA state champions Overton; we will never forget our stunning victory over Father Ryan. Their boys hadn't been beaten in a dual match in seventeen years.

Outside competition gave us alot of practice and brought us many accomplishments as we beat both Lipscomb and Cheatham County and killed Dickson County 68-0. Tommy Mundy was outstanding in the Overton Tournament as







he took 3rd place in his weight class. Bellevue took 2nd in the Nashville Christian Invitational Tournament challenging schools such as BGA, Franklin Road Academy, Madison, and Goodletsville. Unfortunately the annual trip to Memphis was canceled when a blizzard set in and left an inch of snow on the ground.

I guess you could say that wrestling is more of an individual challenge than a team sport. Wrestling isn't just the show of muscle, it is skill and the quickness of technique under wholehearted concentration.

A special thanks to G.G.

Fellow Students,

We, the Student Council of 1978-79, have worked hard trying to make this year a big success. I would like to take this opportunity to show my appreciation to you, the students of Bellevue High School, in making our projects a big success.

I would like to elaborate on some of the projects we have done so far and some which we are planning to do. It is your ideas which we, the Student Council, have tried to expand. We have had four very successful dances, including the Homecoming Dance, a calendar in the Commons Area to publicize activities for the month, assemblies, a breakfast for the teachers, Senior priviledges, Thanksgiving and Christmas projects, a movie, a directory, and much more.

The Council, has needed your help, ideas, suggestions, and criticisms to make this year the best Bellevue has ever seen. You came through! You have supported us and we have united under this common cause and have worked with the administration and faculty to raise the standards of this school which we all love.

Your President,

Vinayek Singh

He just might lose his shirt.

Sweat shirt literature helps some people get things off their chest. Gripes against our social system, for instance. Or our economic system, where the gripes concentrate on profits.

The young man in our picture forgets that he bought the shirt with the money some worker earned for his labor. And labor is a major beneficiary of that sale—since employees get 2/3 of the corporate income dollar.

The manufacturer of the shirt could not survive without a profit, nor could the retailer who sold it. No matter how you feel about profit—without it, neither labor or management, nor retailer or wholesaler could survive.

The very price of the shirt is established by the profit system. If one merchant takes too great a profit his price may be high. This in turn will encourage a competitor to take less profit at a lower price in order to get a bigger share of the shirt business.

In a word, profit is an incentive to beat the competition with new and better products at more attractive prices—all of which results in more and better jobs.

Profit is a built-in part of the American economic system which has given us by far the highest standard of living in the world.

So let's not lose our shirt—or our head.

Editors Note

Well, its that time of year again. We are all by now, a nervous wreck and probably have several ulcers a peice, but we finally finished this annual.

I never could have made these four deadlines without the help of my staff. Susan, my sister, helped me type many things that saved me quite a bit of time. My girlfriend, Pam, along with Cindy, Vicky, Karen, Darla, DeLynn, Jane, Julie, Allyson, Pam, Stephanie, Karen, Lynn, Sara, Mrs. Swisher, and Mrs. Weidemann all helped me create our most unique annual.

I would like to say <u>Thanks</u>!!, to everyone. We have an annual proud to wear the Owl name. Thanks Ginger for the copy and Mrs. Weidemann for proofreading the material. Mrs. Swisher, the cover cost $1,000.00, but wasn't it worth the money. Good luck Cindy and Karen.
